7125 Old Stage Road, Raleigh, NC

WCAC will be taking a tour of one of Wake County's most unique family farms, Ninja Cow Farm, located just 5 minutes from downtown Raleigh. Almost missing the entrance to his farm off Old Stage Rd., driving up this Raleigh mountain you will find yourself teleported to a small farm oasis in the heart of Wake County. From this tour you will learn how owner/operator Dan Moore uses this to his advantage in this sprawling urban county. Moore, the self-proclaimed "hippie farmer" will share the many environmentally friendly practices on his farm from rotational cattle grazing, to eliminating food waste. We can almost guarantee you have not visited a farm like it in NC.
